**Re: STN 101106/5031 - Smallpox Vaccine Dryvax®
Extension of Dating**

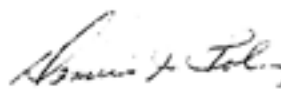

Dear Mr. Becher:

Please note that Wyeth received verbal approval this morning for BLA supplement 101106/5031 to extend dating from six to nine months for the following lots of Smallpox Vaccine Dryvax®:

<u>Lot Number</u>	<u>New Expiration Date</u>
4020077	August 2003
4020076	August 2003
4030020	September 2003

Additional testing in accordance with the protocol filed to our license will be conducted at six and nine months, and CBE supplements will be filed to extend the expiration dating beyond nine months, if appropriate.

Sincerely yours,

Dennis J. Foley, Ph.D.
